# What is the United Association?

The United Association represents more than 350,000 plumbers, pipefitters, sprinkler fitters and service technicians in North America.

The UA has been training highly skilled and highly qualified tradesmen and tradeswomen longer than anyone else in the piping industry. We provide our members with a five-year, industry leading apprenticeship training program, extensive journeyman training, a comprehensive five-year instructor training program and numerous certification programs.

We proudly provide our contractors with the safest, most skilled and most highly trained workforce in the industry.

## Our apprenticeship training program includes

- 2,000 hours of on-the-job training per year
- 216 hours of related classroom instruction
- Core courses: Safety, Plan Reading and Design, Math, Science, Use and care of Tools

Apprentices learn on-the-job from experienced journeymen and receive in-person instruction at state of the art facilities.

Whatever trade you choose, you will start down the pathway to a long and successful career!
