HIGH PAYING CAREER

Get paid while you learn! Free training!

The United Association's (UA) Apprenticeship is an internationally recognized training program for young men and women to become welders, HVACR service technicians, plumbers, pipefitters or sprinkler fitters.

Our five-year apprenticeship training program includes:

- 2,000 hours annually of paid, on-the-job training
- 216 hours of no-cost classroom instruction
- Core courses include: Use and Care of Tools, Safety, Plan Reading, Computer Aided Design, Math and Science

Apprentices learn on-the-job from experienced instructors and receive in-person training at state-of-the-art facilities.

Whatever trade you choose, you will start down the pathway to a long and successful career!

*The United Association's apprenticeship program is registered with the United States Department of Labor.

Requirements:

If you are 18 years of age and a high school graduate (GED Equivalent) you may be eligible for our five-year apprenticeship program.
